The story form of what Michael teaches in his 5 day Intensives is clear and present with new and powerful insights to practical steps and gentle reminders to the level of commitment and attainable levels of living Love in ones every day Life. This book is a must read and perfect pocket book to pull out whenever you feel the need for a gentle nudge of Love from Michael and to know you are not alone on this path of choosing Love. 7 of 7 people found the following review helpful. If You're On A Spiritual Path, This Book Is A Must...By Dr Sophie Henshaw In this new book, Michael Roads has excelled, if that were indeed possible. I highly recommend this book for anyone who's struggling with life because unbeknownst to them, they're not seeing a larger perspective. When I was very ill last month and faced almost certain death in hospital, Michael's words kept coming back to me, offering constant comfort. Now, in this book, he encapsulates what he teaches in his 5-day intensives - which if you ever have the chance - GO! Michael's ideas are life-transformative. HIGHLY RECOMMENDED. 7 of 7 people found the following review helpful. A Prophet of Truth in our very own times! By j murdoch I read this book in two sittings and have taken many notes. Michael has gone to great lengths to keep his message simple and he gets it across clearly and unambiguously. His every word is alive with the energy of unconditional love and compassion. Truly he is a being of light that is here to serve all.

I am aware of how misleading words can be; take the spiritual path, as an example. There is no path, yet this no-path has to be walked to learn that it does not exist. The gulf of separation is another example; there is no gulf of separation, yet we have to cross the gulf to learn that it is the intellect and the mind that created it. We let that go and bingo--no gulf of separation. If you live what you learn from this book, you will transcend through the various landmines that litter the landscape of the unsuspecting spiritual adventurer. I have walked the same, or similar territory that you are walking. Now, I walk freely, easily and joyfully. With this book as your guide, you can also." -Michael J. Roads
